Consent to Treatment

By signing below, I voluntarily consent to be treated with acupuncture and/or massage by Michael Vahila, National Board Certified Acupuncturist and Licensed Massage Therapist.
I understand that acupuncturists practicing in the state of Ohio are not primary care providers and that regular primary care by a licensed physician is an important choice that is strongly recommended by this office.

Massage therapy: I understand that Massage therapy involves the manipulation of the body through manual techniques. I am aware that certain side effects may result. These include, but are not limited to: bruising, and the possible aggravation of symptoms.
Acupuncture: I understand that acupuncture is performed by the insertion of needles through the skin at certain points on the body to treat dysfunction or disease, to modify or prevent pain perception, and to normalize the body's physiological functions. I understand that acupuncture is a generally safe method of treatment but it may have some side effects. These include, but are not limited to: bruising, numbness or tingling near needling sites, minor bleeding, fainting, pain or discomfort, and the possible aggravation of symptoms existing prior to acupuncture treatment. I understand that there are no guarantees concerning its use and that I am free to stop acupuncture treatment at any time. **Electro-Acupuncture:** I understand that I may be asked to have electro-acupuncture administered with acupuncture. I am aware that certain side effects may result. These may include, but are not limited to: electrical shock, pain or discomfort, and the possible aggravation of symptoms existing prior to treatment. I understand that I may choose not to have this treatment.
